

Branson has more hotels than just about any place in the world and in July the rates will range from \$60 to over \$200. Check out Trip advisor – link below. Each page has 30 hotels and there are 9 pages, which is 270 hotels to choice from. A lot of these places may have an aarp or vet. Discount.

If you have a trailer and like camping, my favorite place is Cooper Creek Camp Grounds. They are off Fall Creek Road and close to the strip. But the best is that they are right on Taneycomo, with two fishing docks. 50 amp service, cable TV and they were give Veterans 20% off the daily rate but now under new owners. They do offer 10% off Good Sam's Members. Check out the link below.

Cooper Creek Camp Grounds also has cabins to rent.
